

Sierra Pacific Earns Esteemed 2015 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Sierra Pacific has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2015.

"After 32 years of serving our neighbors in the Northern California area, we're proud of how highly our clients think of our work and our service. We see our clients come back to use our company again and again as well as refer us to their family, friends, and neighbors. The entire team is proud of that," said Jason Hanson, President of Sierra Pacific Home & Comfort, Inc."

"Only about 5 percent of the Solar, Heating & Air, and service companies in Sacramento have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2015 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.
